### **DoorKing Voted No. 1 Gate Operator Manufacturer 3 Years Running!**

Inglewood, CA – DoorKing, Inc. has been voted the No. 1 gate operator manufacturer in Professional Door Dealer Magazine’s 2011 Best of Business reader poll in the gate operator manufacturer category for the third straight year.

“We are honored and humbled to be recognized by our loyal Distributors and Dealers in this category for the third year in a row,” said Richard Sedivy, Director of Marketing for DoorKing. “We work very hard to support our network of professional Distributors and Dealers and being voted number one again shows that good products, a broad product line, exceptional customer service, honesty and integrity are very important values that they want from their manufacturer. In our business, they are the ‘Kings’ and we sincerely thank them for their business and support and for voting us No. 1 again!”

#### About the Poll

Industry professionals were invited to vote at [www.professionaldoordealer.com/vote](http://www.professionaldoordealer.com/vote). The poll was open for five months, and voters chose from more than 20 categories, picking their top three company choices in each.

DoorKing, Inc., established in 1948, is one of the largest and oldest manufacturers of access control and vehicular gate operator products in the country.
